

THE INTERLACE
AN ICON OF
INTERCONNECTED
LIVING

THE INTERLACE WAS DESIGNED
WITH COMMUNITY,
NATURE AND SUSTAINABILITY IN MIND.

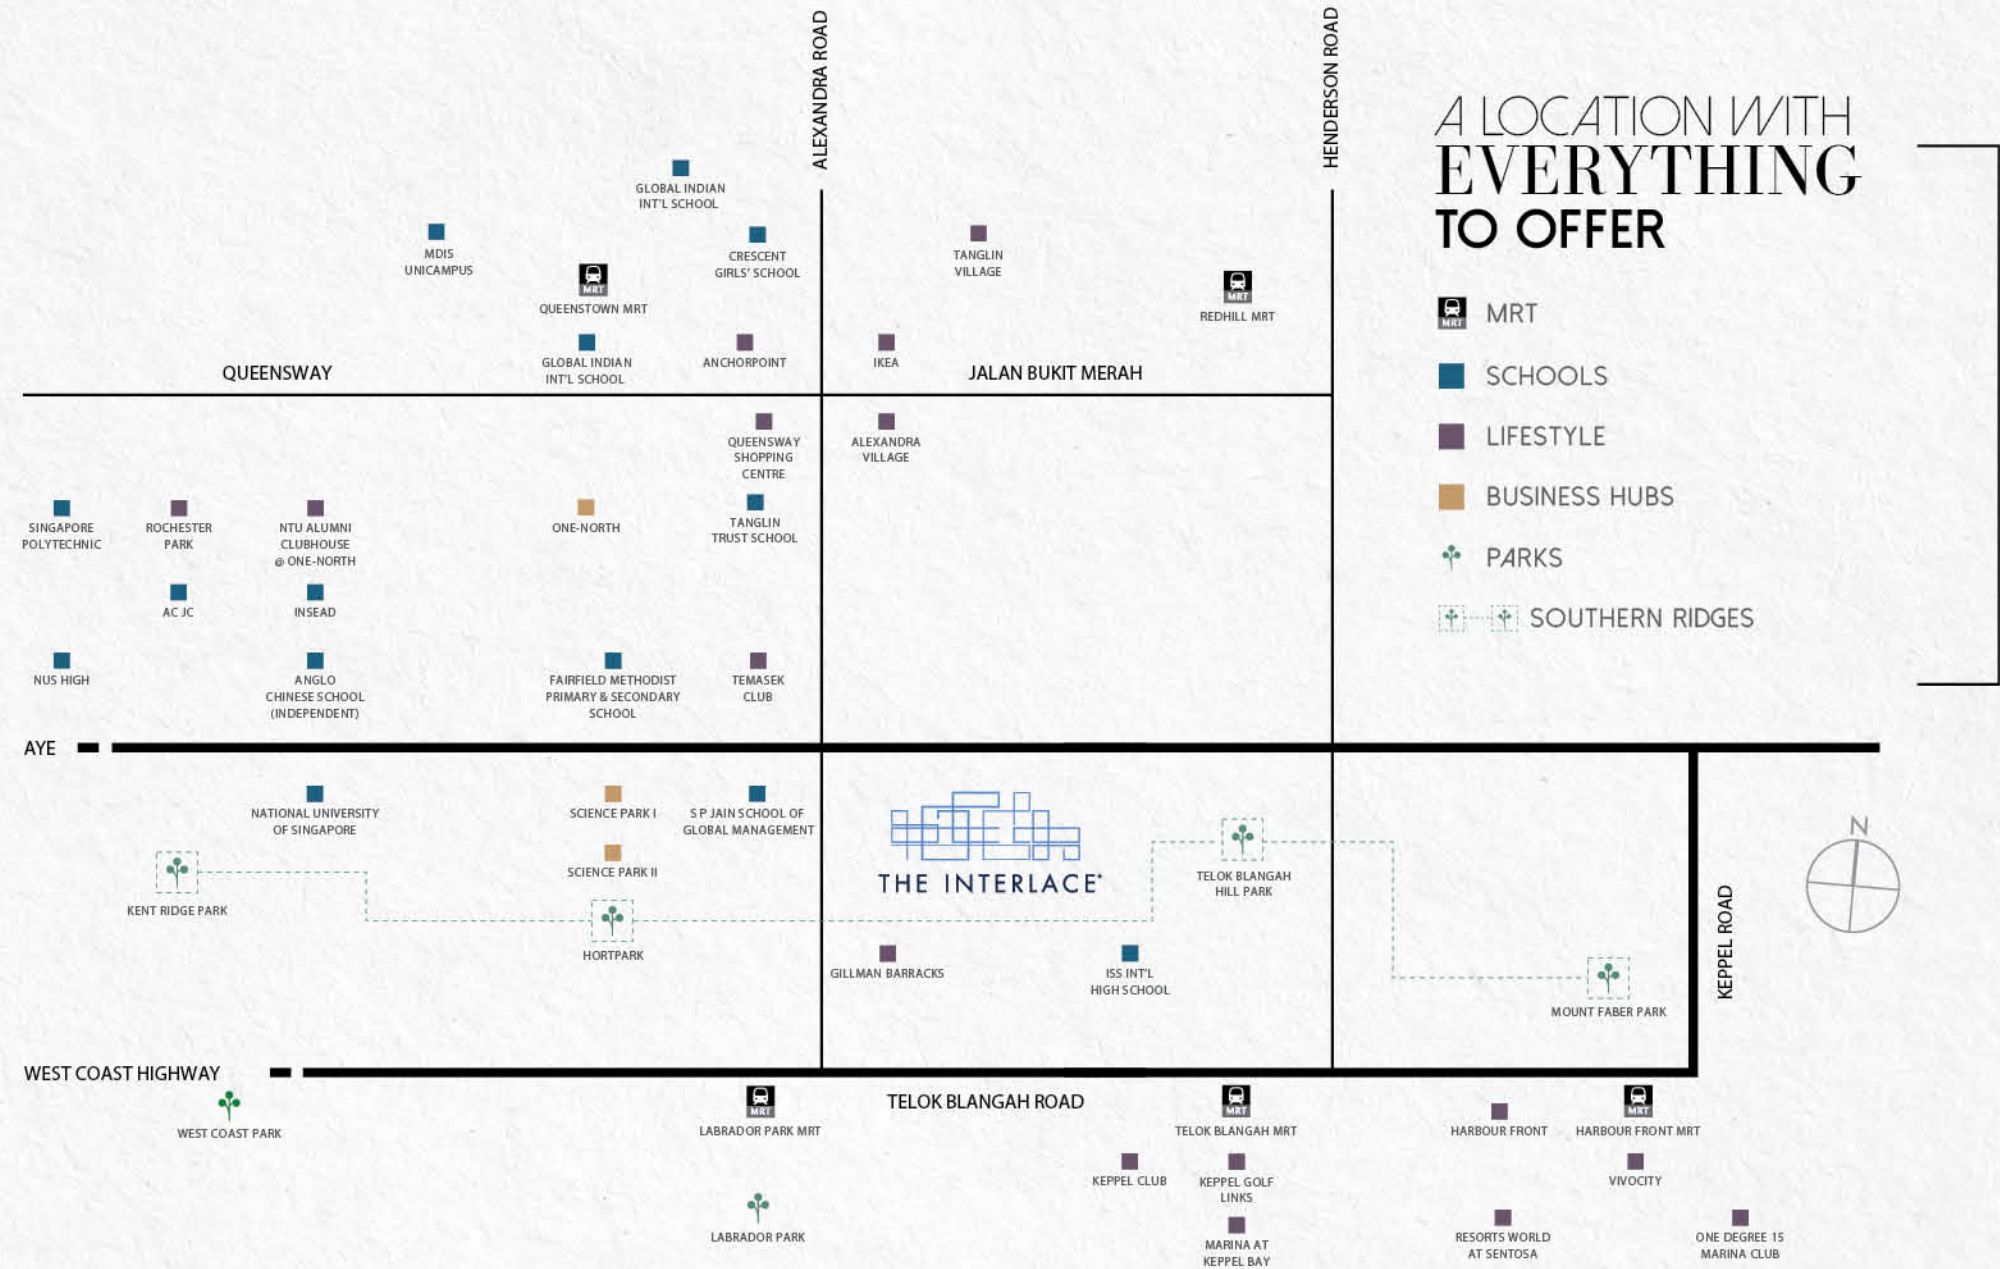

An intricate network of extensive living and social spaces,
seamlessly integrated with its natural environment.
Celebrating the interconnection between residents and the lush greenery
that surrounds them, The Interlace represents the best of urban living,
where the lines between outdoors and indoors are blurred.

Beyond a lifestyle standard that surpasses all others,
The Interlace is perfectly positioned to bring you the very best of Alexandra,
a prime cityside location. The award-winning 8-hectare development
along Depot Road is within proximity to a host of amenities and lifestyle
destinations – Vivocity and Sentosa are minutes down the road; the CBD
and Orchard Road a short drive away. Nestled in the Southern Ridges
green belt, the lush settings of HortPark, Mount Faber and Kent Ridge Park
envelop you; rounding out a quality of life that is truly one-of-a-kind.

FLEXIBLE INTERIORS

The powder room was converted into a common bathroom, and entrances to the two common bedrooms were shifted to lend the original common bathroom to one of the bedrooms – converting it into a junior master bedroom with its own attached bath. The remaining two bedrooms now share a newly created common bath.

The family area was converted into a junior master bedroom, adding flexibility to this unit – it has the potential to be a dual key apartment with 4 bedrooms. By remodelling the powder room into a bathroom with a shower, the designer has effectively created an additional en suite bedroom with a separate entrance from the foyer balcony.
